

Dear TRAPS Supporter,

It's Rodeo time again! The Texas Recreation and Park Society East Region Park Operations Rodeo will be held Thursday, November 2nd, 2023 hosted by Baytown Parks & Recreation Department at the Pirates Bay Waterpark. The Rodeo is a great opportunity for all Parks Operations Departments in the region to demonstrate their skills through competition for bragging rights and awards. The event categories are backpack blower, mower obstacle, irrigation assembly, plant and weed identification, truck and trailer obstacle, backhoe, and nail driving.

TRAPS East Region is inviting vendors to participate in this year's Rodeo. Your business will be able to bring and exhibit equipment and inventory to this event for \$150.00 + \$25+ item to raffle off as a door prize. All payments are made to the TRAPS state office. In return for your participation, your business will receive the following-

- Name will appear on the TRAPS East Region web page
- Booth space with table and chairs
- Direct interaction with Parks and Recreation staff
- Opportunity to display products and services

A Presenting Sponsorship is available along with, breakfast, lunch, and individual events. All vendors are invited to bring "swag" to distribute at their booth or as a raffle item at the awards session.

Last year's Rodeo attracted approximately 300 participants from 18 different entities. This is an excellent opportunity for your company to showcase its products to the people who actually use them.

We appreciate your consideration to participate in this event and thank you for your support. If you have any questions or need more information, please contact.
